

FIVE STEPS TO A PROJECT OF WORTH

MAY 8, 2019

COMPETITIVENESS & GROWTH | GLOBAL AFFAIRS & LAW | STRATEGY

The success or failure of a project largely depends on a series of factors that should be considered beforehand. It's not enough to invest money, time, and effort. By exploring, assessing, and conducting tests before jumping in, you can help to ensure that the project evolves in the desired direction. In this infographic, Michele DeStefano, Founder and Executive Director of LawWithoutWalls and Associate Professor at IE Law School, identifies five key aspects that can help make your project a success.
