## SHOW NOTES

00:00 Introduction

00:21 Michele’s background in legal tech and law

01:47 What makes you a legal tech expert?

02:58 Why do you care about legal tech?

03:35 Why are you involved with Evolve Law?

04:26 Where do you think the biggest opportunity in legal technology is today and what should practicing attorneys be buying and using right now?

05:35 Where do you think the biggest opportunity in legal tech is in 3-5 years?

06:23 What advice would you give to lawyers who want to use these new technologies in their practice but don't know where to start?

08:08 What tips would you share to help innovators increase adoption?

10:06 What other advice would you give to legal tech entrepreneurs who are starting and growing a business right now?

11:29 What are your final thoughts on the future of the legal industry?

12:24 Outro

My goal is to change how we educate lawyers and how lawyers practice. The only way to achieve that goal is with technology.
